

Habitat
for Humanity®
Lee and Hendry Counties

Habitat for Humanity makes a tremendous impact on the lives of homeowners. Our work impacts health, environmental and educational outcomes; civic and social engagement; the financial stability of Habitat families; and local economies. This infographic details one component of our economic impact. See below to learn how Habitat's work contributes to our local economy by supporting jobs and purchasing local goods and services, creating a ripple effect that multiplies our investment to generate meaningful impact.

Beyond the house: How Habitat's investments ripple across local economies

An economic impact analysis

Our work
in 2019

\$16,967,953

invested in operations, construction, rehabilitation and renovation

Our impact

1. Construction of new single-family residential structures
2. Community food, housing, and other relief services
3. Retail - Building material and garden equipment and supplies stores

Results measure only the economic impact of affiliates as measured by affiliate expenditures on programming and operations. Additional factors contributing to economic impact (e.g., property taxes paid, homeowner spending) are not included. The economic impact was estimated using IMPLAN, an economic modeling software, based on data from affiliate financial documents.
