State Representative Matt Caldwell, Dist. 79  
15191 Homestead Rd, Building A  
Lehigh Acres, FL 33971

Dear Representative Caldwell:

I wish to speak for the Responsible Growth Management Coalition on the following topics. (Oct. 18, 2017)

A bill to ban all fracking in the State of Florida. We need to pass it this time.

A bill to fund Florida Forever and the two other like agencies.

To support my two amendments to the Florida Constitution:

- 1) To have a set amount each year for Florida Forever.
- 2) Wording to protect the FL Wild. Corridors from development, etc.  
Buying lots to protect Cape Coral's burr oaks.

Sincerely Carl Veaux
